## **Men's and Women's Artistic Gymnastics Code of Points 2005**

Following the decision of the 2004 General Assembly in Antalya, the FIG Executive Committee and the Directives given by our President Bruno Grandi, the MTC, WTC and the Executive Commission have taken the following decision in Birmingham concerning the **Men's and Women's Artistic Gymnastics Code of Points 2005**:

### **Women:**

No changes. The old Code 2001-2004 will be valid for 2005, with the exception of adding the new elements published after the Olympic Games and the correction of the following three vaults:

#5.408 devaluated from 9.5 to 9.3

#5.409 devaluated from 9.7 to 9.5

#5.509 devaluated from 9.8 to 9.6

### **Men:**

The old Code 2001-2005 will be valid for 2005, with the following adjustments:

- a) Special Requirements, except dismount requirements will count 0.10 points instead of 0.20 points, in other words - each missing Special Requirement (except dismount requirements) will be deducted with 0.10 points.
- b) Dismount requirements will remain unchanged.

By consequence, Chapter 4, "The Evaluation of Competition Exercises", Art. 11, "General Rules", point 2 will have the following content:

<b>A-Jury</b>	
Difficulty	2.80 points
Special Requirements	0.60 points
<u>Bonus Points</u>	<u>1.60 points</u>
	5.00 points
<b>B-Jury</b>	
Exercise presentation (technique and position)	5.00 points

### **Both Men and Women:**

The TC Members will no longer be part of the Apparatus Jury. They will sit on the Superior Jury.

Inquiries (Protests) will be introduced for the A-Score as per the pending discussions in the EC and subject to ratification by the Council 2005.

A video system for an instant review by the difficulty judges (2 A-Judges) and the Superior Jury will be introduced. The Superior Jury will control the judge's work during and after the competition.

Kind regards,

Fédération Internationale de Gymnastique
